

### **RAISE LISBURN Update on the RAISE Call for Locality Led Projects**

Following Assessment Panel, the following proposals from the RAISE Lisburn Locality have been selected to advance further in the process.

The next step in the process is to seek to agree the terms of a Letter of Offer.

Please note that this does not amount to, and must not be relied upon in any way, as a commitment to funding, and organisations must not commit to spend unless and until a Letter of Offer has been formally made by the Department and accepted by signing and returning it to the RAISE Programme Team.

In terms of next steps, a member of the RAISE Programme Team will be in contact with organisations with a view to agreeing a Letter of Offer, which will include the level of funding required to deliver the project, Project Objectives, Project Measures and Targets, a costed workplan and a profile of expenditure.

| Locality | Organisation       | Project Title                            | Indicative Project Value | Summary  |
|----------|--------------------|--|--------------------------|--|
| Lisburn  | The Resurgam Trust | Help Kids Talk - Listen, Talk, and Learn | £96,130                  | <p>The Help Kids Talk (HKT) Project will be delivered by The Resurgam Trust across pre-nursery, nursery and foundation stage schools. It is expected that the project will improve children's speech, language, and communication by strengthening early years and educational settings, empowering parents, and building community-wide collaboration to 1,600 children. It is expected that the project will reinforce learning at home creating a consistent approach across home, early years, and community settings ensuring more children develop the communication skills they need to thrive in education and beyond.</p> |

|----------------|----------------------|---|---------|--|
| <b>Lisburn</b> | Atlas Women's Centre | Atlas Parenting Hub - Connecting Families and Schools | £58,914 | <p>The Atlas Parenting Hub Project will be delivered by Atlas Women's Centre across ten Nursery and Primary schools with 80 parents. It is expected that the project will empower parents to become confident, skilled and active partners in their children's early education. The programme is designed for parents who may not yet see themselves as their child's first teacher or who are not yet engaged with their child's school. The programme blends structure and flexibility, offering both accredited and non-accredited courses on personal development, child development and supporting children's learning at home.</p> |
|----------------|----------------------|---|---------|--|

|                |                                |   |         |   |
|----------------|--------------------------------|---|---------|---|
| <b>Lisburn</b> | Let's Expand Communication Ltd | "Let's Expand Communication in the Early Years and into Primary School" | £34,500 | <p>The Let's Expand Communication in the Early Years and into Primary School Project will be delivered by Let's Expand Communication Ltd across pre-schools to 180 children. It is expected that the project will support children through their pre-school education and continues into P1 and P2. Pre-school staff will be trained in a 12-week programme to target the key areas of communication development either as part of a whole class group, or within smaller targeted groups depending on class needs. Staff will receive follow up support sessions during and following the completion of the programme.</p> |
|----------------|--------------------------------|---|---------|---|

|                |                          |                |         |  |
|----------------|--------------------------|----------------|---------|--|
| <b>Lisburn</b> | Largymore Primary School | Power Up for 8 | £51,340 | The Power Up for 8 Project will be delivered by Largymore Primary School across 20 Primary schools to 600 children. It is expected that the project will aid the transition from primary to post primary school. This will be done via a programme of dynamic and engaging workshops designed to help P7 pupils approach the transition to Yr 8 with confidence, resilience, and the right mindset. It will equip them with practical strategies from positive psychology to support a smooth and successful transition. |
