

DE/2026-024 – Freedom of Information Request

Request:

Can the department share all communications between officials, up to and including the Minister, with Turning Point USA from 1 January 2025 to the latest date possible in 2026?

That would be communications from anyone at the department to anyone associated with Turning Point USA including Erika Kirk & the late Charlie Kirk.

Department Response:

I refer to your request below under the above legislation for information about communications between the Department and Turning Point USA from 1 January 2025 to 12 February 2026.

- *Can the department share all communications between officials, up to and including the Minister, with Turning Point USA from 1 January 2025 to the latest date possible in 2026?*
- *That would be communications from anyone at the department to anyone associated with Turning Point USA including Erika Kirk & the late Charlie Kirk.*
- *Can I add to this so it's clear, I want the search for communications to also include any Special Advisers (SpAds) to the Minister too.*

I wish to advise you that following a search of our records, the Department has found no information indicating any communications with Turning Point USA.
