Department Response:

Freedom of Information Act 2000

Thank you for your request for information relating to school level data on GCE A-level and AS-level Further Mathematics. The request was received on 13 February 2026.

I can confirm that the Department holds the information requested for 2021/22, 2022/23 and 2023/24. Information relating to 2024/25 will be available by the end of April. The attached files contain the information requested (DE2026-022 A Level - Further Maths.csv and DE2026-022 AS Level - Further Maths.csv).

Please note the information contained in the spreadsheet does not provide a valid basis for comparing performance between schools, since it takes no account of intakes of the schools or of any other factors that may affect pupil performance. No single measurement can constitute a fair or accurate evaluation of a school, and the figures should be considered in the context of other information about schools and their pupils.
