TransformED
A THRIVING EDUCATION SYSTEM FOR EVERY LEARNER

Centre for Educational Excellence & Improvement
Northern Ireland

Leaders of Education Programme

The Leaders of Education Programme brings experienced school leaders together to work in partnership with schools – supporting excellence and improvement, and helping to realise the ambitions of TransformED for all learners.

The 4 key strands

1 Supporting School Improvement

- Build on current strengths across the system.
- Support schools involved in Supporting Success.
- Identify, share and spread effective practice.

2 Building Leadership Capacity

- Provide coaching and professional dialogue.
- Offer practical support for leaders at all levels.
- Connect schools to relevant development opportunities.

3 Collaboration and System Improvement

- Connect schools with expertise, services and resources.
- Facilitate professional learning and collaboration.
- Share learning across the system.

4 Informing Policy and TransformED Implementation

- Help schools translate policy into practice.
- Support implementation of TransformED.
- Provide school insight to policy development.
