

Confidence and Supply - Early Intervention Transformation Programme (EITP)

Confidence and Supply funding received in 2018-19 was used to support the clinical psychology team assisting with the Early Intervention Transformation Project and to support the roll out of 'The Attach Project' (TAP) to the schools participating in the Belfast and South East Areas. An element of this was allocated directly to schools to support the development of a 'trauma informed' space in the classroom in the TAP schools.
