Dear Education Press Office

Can you confirm why the Consultation on the Integrated Education Strategy Action Plan is not listed in the Department for Education's website consultation section?

How has this Consultation been promoted to the public by your Press Department? Could you provide copies of press releases and where they appeared when the launch of this consultation happened on the 31st August 2023

Thanks

Kellie Armstrong MLA

Hi James

Please see email below from Kellie Armstrong MLA.

I have attached and copied the PR around the launch of the consultation.

Are you content to respond to Ms Armstrong?

If you need anything else please get in touch.

Many thanks
