Request

I wish to request a list of all primary schools in Northern Ireland and their contact details, including an email address.

DE Response

Thank you for your request for a list of all primary schools in Northern Ireland and their contact details, including an email address. Your request was received on 29/12/2023 and I am dealing with it under the terms of the above legislation.

Under the legislation the Department is not required to provide information that is already available in a form accessible by the public. The information you requested is available on the Department's website at the following url - <http://apps.education-ni.gov.uk/appinstitutes/instmain.aspx> When the App opens click Advanced Search, under Institution Type choose Primary from the drop down menu then click find. At the bottom right you will see an option to export, then click download and it will provide you with a spreadsheet containing the school contact details including an email address.
