Good afternoon [REDACTED]

I have been advised today, by APPT, that the Minister has approved the following 2 amalgamations with effect from 1/09/12, or as soon as practical thereafter:

St Aidan's Christian Brothers Primary School - Ref 103-0316 and
St Bernadette's Primary School - Ref No 103-0317

Edmund Rice Christian Brothers Primary School - Ref 103-0329 and
Star of the Sea Primary School - Ref 103-6464

I would be grateful if you could provide 2 new reference numbers for the above schools - we will just have to call them working titles of each of the 2 schools amalgamating as I have no names for the amalgamations and CCMS will not know this until some time in the next school year.

I will request containers on receipt of reference numbers.

As always, many thanks for your assistance.

Regards,
